We aim to source all our produce locally, as we are passionate and proud about how and where our food is reared and harvested.

The Beef is from our own herd of Dexter's and Highlands roaming in the fields around the village whilst the Rare Breed Pork is reared by ourselves in the surrounding woods

Our next-door neighbour, Rob at Coldrife, supplies our Lamb.

Ice Creams & Sorbets are from Howie's at Morwick and even Ellingham Marmalade can be purchased from the bar, with donations going to the St. Maurice Church.
